

KB200 REPLACEMENT LINER LID INSTRUCTIONS

P/N 466-KIT

Items Included:

Liner Dispenser Lid
Bobrick Universal Key

1. Using the Universal Bobrick Key (taped on backside of the lid), unlock and open liner dispenser lid. Grasp the liner dispenser lid and gently pull up and away to remove from the liner dispenser.
2. Insert new liner dispenser lid. Close and lock liner dispenser.
3. Clean up work area and discard old liner dispenser lid.
