

MORE REASONS TO LOVE THE NEW KOALA BABY CHANGING STATION

We Care for Kids.

KB200 SALES SHEET

NOTE: Please one baby at a time. The three babies are used to dramatize the strength of the new Koala Baby Changing Station. Never leave children unattended.

STRENGTH

- Unibody steel chassis is built into the bed and wall.
- Gas spring mechanism ensures smooth open and close.
- Steel on steel hinge has greater resistance to wear and improved durability.

FEATURES

- Sleek design will match modern restroom design and décor.
- Four color options.
- Fully ASTM and EN compliant. TUV Certification. Meets ADA requirements when installed properly.

ENHANCEMENTS

- Bed surface contains Microban® antimicrobial, a Koala exclusive, reducing odor causing bacteria.
- Bobrick keyed lock keeps hardware and dispenser tamper resistant.
- Improved diaper bag hooks.
- Dual liner dispenser with lock minimizes operator refills and discourages potential vandalism.
